

Local Places to Eat 2018

Grove Farm House Bed and Breakfast is lucky to have a variety of excellent pubs and restaurants very close and further afield. We prefer not to recommend as everyone's tastes are different, but here is a selection of some of the best.

There are far too many for me to include here, and so I am sure there are some lovely places that I have missed, so do bring back menus of any other pubs or restaurants which you have enjoyed, and I'll add them to the list.

We would recommend that you book ahead on Friday and Saturday evenings to avoid disappointment, as many get fully booked at the weekend.

If you would like to book at taxi, then I would also recommend you book in advance. Here are some options.
